

## 3.5in Bay 20-in-1 USB 2.0 Multi Media Memory Card Reader - Black

StarTech ID: 35FCREAD20BK

This 20-in-1 USB 2.0 Media Memory Card Reader can be installed in a 3.5in drive bay or used as a standalone media card reader by simply connecting to an available USB port. The card reader offers full read/write access to popular media/memory card formats - a convenient solution for transferring data from digital media devices such as digital cameras, DV camcorders etc. to a computer without having to connect the digital media device directly to the computer.

The media/memory card reader supports high-speed USB 2.0 transfer rates up to 480Mbps - providing quick, simple access to memory card contents, eliminating lag while trying to transfer important files.

The card reader is a versatile and cost-effective solution that lets you access popular media card formats including CompactFlash (CF I, CF II), IBM MicroDrives, Smart Media, Multi-Media, and Memory Sticks (MS, MS Pro), Secure Digital (SD, SD Mini) etc., allowing you to use a single card reader for all of the different memory cards you use, as opposed to using different memory card readers for each application.

### Applications and Solutions

- Transfer files between flash media devices to your PC or MAC

## Features

- Can be used as a standalone unit or installs into a 3.5" bay in your PC
- Compatible with most memory cards
- Each card socket has an LED for status and activity
- USB 2.0 compliant and USB 1.1 backwards compatible

## Technical Specifications

- Warranty: 1 Year warranty
- Color: Black
- Connector Types: 1 - USB B Male
- Enclosure Type: Plastic
- Product Height: 1.04 in [26.3 mm]
- LED Indicators: 1 - Power LED (red)
- LED Indicators: 1 - 4 x Status/Activity LED's for each card socket
- Product Length: 4.37 in [111 mm]
- Carton Quantity: 50
- Shipping (Package) Weight: 0.49 lb [0.22 kg]
- Product Weight: 3.53 oz [100 g]
- Product Width: 3.79 in [9.63 cm]
- Max Data Transfer Rate: USB 2.0 480 Mbps and USB 1.1 12Mbps
- Cables Included: USB Type B to Type A cable and USB Type B to USB Motherboard header cable for internal installation
- OS Compatibility: Works with Windows 98SE/ME/2000/XP/Vista  
MAC OS X and up
- General Specifications: The chipset for the 35FCREAD20BK can support up to 1G SD,MMC and MS card
