

25 ft. PC99 3-in-1 Keyboard, Monitor, Mouse Extension Cable

StarTech ID: 3N1PS2EXT25

The StarTech.com PC99 3-in-1 Extension Cable allows keyboard, monitor, and mouse cables to be extended without the mess and tangle of 3 separate traditional cables. Our exclusive design takes 3 separate extension cables and fuses them into 1 neat tangle-free cable. Each connector end is color coded according to PC99 specifications for ease of identification when connecting the peripherals. The video component of the cable is constructed with high-quality mini-coaxial wire for crystal clear video quality at any resolution. Double shielding and a ferrite core on the video cable virtually eliminate any external signal interference. If a speaker extension is also required, check out the StarTech.com 4-in-1 extension cables.

Applications and Solutions

- Used to extend and detangle the lengths of keyboard, monitor, and mouse cables behind your workstation

Features

- All connectors are color coded to PC99 specifications for easy installation
- Ferrite core on the video cable virtually eliminates EMI interference
- Keyboard, monitor, and mouse cables are separated for 1 ft from each end
- Tangle free 3-in-1 design
- Video cable is constructed of mini-coax wire for ultimate picture clarity

Technical Specifications

- Connector A: 1 - High Density 15 pin Male
- Connector A: 2 - 6 DIN Male
- Connector B: 1 - High Density 15 pin Female
- Connector B: 2 - 6 DIN Female
- Color: Gray
- Product Length: 24.99 ft [7.62 m]
- Maximum Cable Length: 24.99 ft [7.62 m]
- Carton Quantity: 15
- Shipping (Package) Weight: 3.25 lb [1.47 kg]
- Length: 25 feet (7.5m)
- End 1 Connectors: HDDB15 Male, 2x 6 MiniDIN Male
- End 2 Connectors: HDDB15 Female, 2x 6 MiniDIN Female
