

8in 24 Pin ATX 2.01 Power Extension Cable

StarTech ID: ATX24POWEXT

This 24-pin ATX 2.01 Power Extension Cable offers a male 24-pin ATX connector as well as a female 24-pin connector, allowing you to extend the length of an ATX power supply connection by 8in, providing enough cable slack to position the motherboard as needed in relation to the power supply without having to strain the ATX power connection.

Applications and Solutions

- Ideal for tower cases

Designed for all ATX 2.01 style motherboards

Features

- Extends the length of ATX 2.01 motherboard power supply cable
