

Converge A/V 4-to-1 Component YPbPr A/V Switch

StarTech ID: CPNT410IR

Make the most of your display by adding up to four A/V devices to one input port! Compatible with component video as well as RCA and digital coax audio, CPNT410IR features a convenient remote learning feature that allows you to use existing component remotes to toggle between inputs.

Not only does CPNT410IR deliver the variety you need to complete any A/V system, it also offers the signal quality necessary to bring out the best results from your input devices.

This attractive, compact unit can be installed in minutes, and is backed by a 1-year warranty as well as free, lifetime technical support.

Applications and Solutions

- Connect and switch between four component video devices to one TV / HDTV display
- Excellent for home theatre applications requiring digital or analog audio connections with the use of standard and HD component devices

Features

- Connect up to four devices to your TV using a single set of inputs
- Maintains clear audio and video signals for excellent performance
- With the Remote Learning feature, program the video switch to work with your existing universal remote

Technical Specifications

- Input Connectors: 4 x Component (YPbPr)
 - 4 x Digital Coaxial Audio
 - 4 x RCA Analog Stereo
- Output Connectors: 1 x Component (YPbPr)
 - 1 x Digital Coaxial Audio
 - 1 x RCA Analog Stereo
- Color: Silver
- Enclosure Type: Plastic
- Product Height: 1.73 in [44 mm]
- Input Voltage: 9 DC
- Product Length: 9.17 in [233 mm]
- Maximum Analog Resolutions: Supports standard and high definition video resolutions. 480i to 1080i.
- Number of Ports: 4
- Power Adapter Included: Yes
- Power Adapter - DC Voltage: 9V
- Center Tip Polarity: Positive
- Carton Quantity: 12
- Shipping (Package) Weight: 1.83 lb [0.83 kg]
- Product Weight: 21.89 oz [620 g]
- Product Width: 6.38 in [16.2 cm]
- Cables: Cables not included
