

Video DisplayPort DVI Adapter Converter

StarTech ID: DP2DVIADAP

This DisplayPort DVI adapter lets you connect a DVI-D display to a DisplayPort video source (e.g. DisplayPort video cards, etc.), eliminating the expense of having to upgrade to a DisplayPort enabled display while providing a hassle-free connection to any DisplayPort video card/signal source.

The DVI/DisplayPort adapter supports display resolutions up to 1920x1200, allowing you to take full advantage of single link DVI capability.

Applications and Solutions

- The DisplayPort to DVI adapter allows for an easy and hassle free connection to any DVI-D (digital) display.

Features

- Easy to use, no software required.
- Supports resolutions up to 1920x1200 and HDTV resolutions up to 1080p.
