

DisplayPort to HDMI Video Adapter Converter - M/F

StarTech ID: DP2HDMIADAP

This DisplayPort to HDMI male Adapter provides a DisplayPort male and DisplayPort female connector, allowing you to keep your existing (HDMI) display while using a DisplayPort video card/source by turning a female DisplayPort port into a female HDMI port.

Supporting display resolutions of up to 1920 x 1200(computer)/1080p(HDTV), this cost-effective solution converts a DisplayPort video signal to HDMI - maintaining the incredible graphical performance offered by DisplayPort, while eliminating the cost of having to upgrade your HDMI capable display to a display with built-in DisplayPort support.

Applications and Solutions

- The DisplayPort to HDMI adapter allows for an easy and hassle free connection to any HDMI display.

Features

- Easy to use adapter, no software required
- Supports resolutions up to 1920x1200 and HDTV resolutions up to 1080p
