

## DVI to VGA Video Converter with Scaler

StarTech ID: DVI2VGA

This DVI to VGA Scaler allows you to convert a DVI-D Digital video signal to a VGA video signal, saving you time and money by eliminating the need to purchase costly hardware.

The scaler/converter features an on-screen Display that allows you to take full control of your display and the resolutions you need, in PC or HDTV mode.

The DVI VGA Scaler/converter includes a plastic bracket for wall mounting, or side panel installation.

### Applications and Solutions

- A great way to make use of older display technology with a newer signal source
- Allows you to connect your DVI video source (i.e. cable or satellite set top box, DVD player, computer) to a VGA or HDTV display

## Features

- 48MB frame memory for frame rate conversion
- Converts DVI-D video input to Analog RGBHV or YPbPr output. A DVI source can be displayed onto a VGA or HDTV display using a VGA connector or component RCA connectors
- Includes a plastic bracket for wall mounts or side panel installation
- On-screen display allowing adjustments to brightness, contrast, color and Horizontal/Vertical positioning

## Technical Specifications

- Color: Black
- Product Height: 1.18 in [30 mm]
- Product Length: 5.75 in [146 mm]
- Power Adapter Included: Yes
- Power Adapter - Amperage: 2600mA
- Power Adapter - DC Voltage: 5V DC
- Center Tip Polarity: Positive
- Carton Quantity: 10
- Shipping (Package) Weight: 2.36 lb [1.07 kg]
- Product Width: 3.03 in [77 mm]
- Output Connector: HD15-pin female connector
- Input Connector: 24 pin DVI-D dual link connector
- HD Output Resolution: 1080i/720p max
- PC Output Resolution: 1280x1024 max
- Supported Signals: RGB, YPbPr, and YCbCr (VGA to Component cable not included, see accessories).
