

10 ft. DVI-D Single Link Extension Cable

StarTech ID: DVIDSMF10

Extend your high-speed DVI-D connection with StarTech.com's quality DVI-D extension cables. Ideal for laptop-to-projector digital presentations or for connecting your flat-panel LCD monitor to your digital video card, these male-to-female cables allow you extend your existing digital connection by 10 feet. These Plug and Play-compatible, single-link cables provide a faster, stronger signal than standard extension cables, giving you crystal-clear digital pictures.

These cables work with any DVI-D single-link cables or devices and allow high-speed data transmission up to 4.95 Gbits/sec.

Applications and Solutions
