

2 Port ExpressCard eSATA Controller Adapter Card

StarTech ID: ECESATA22

This 2 Port eSATA ExpressCard adapter lets laptop users experience the high performance capability of eSATA storage for data transfer rates of up to 2Gbps, as well as port multiplier capability with command-based switching for connecting multiple external hard drives to a host PC or Mac notebook through one eSATA connection.

Using a native PCI Express single chipset, the eSATA controller provides enhanced compatibility, reliability and performance for your external storage needs.

Applications and Solutions

- Connects SATA/eSATA devices to your notebook

Features

- Compliant with ExpressCard Specification 1.0 and ExpressCard 34 Form Factor
- Hot swap capabilities allows you to connect or disconnect devices without turning off your laptop
- Port multiplier capability with command based switching
- Uses a native PCI Express single chipset, providing enhanced compatibility, reliability and performance for your external storage needs
- Works with SATA I and SATA II devices with transfer speeds up to 3.0 Gbps

Technical Specifications

- Bus Type: ExpressCard
- Number of Ports: 2
- Carton Quantity: 50
- Shipping (Package) Weight: 0.2 lb [0.09 kg]
- Bus Type: ExpressCard
- OS Support: Windows® 2000/XP/2003/Vista, Linux, MAC OS 10+
- Chipset: Sil3132
