

2 Port PCI Express 1394b FireWire 800 & 1 Port + 1 Internal Firewire 400 Adapter Card
StarTech ID: PEXFW800_3

Have a need for speed? Get the new gold standard in I/O technology with an IEEE 1394b card from StarTech.com. With an unrivaled 800 Mbits/sec of data transfer, the two IEEE 1394b ports provide highly efficient, reliable communication over a length of up to 300 feet (100 m). The card also provides a 400 Mbits/sec IEEE 1394a port for your older FireWire peripherals.

The PCI1394B_3 supports the most demanding IEEE 1394b peripherals like portable hard drives, DV camcorders, digital cameras and CD-RW/DVD-RW drives. Creating your own high-speed laptop digital media center has never been easier.

This versatile card works in PCI Express slots with different lane widths (x1, x2, x4, x8, x16), and is fully compliant with one lane 2.5Gb/s it is backed by our lifetime warranty and FREE LIFETIME technical support.

Applications and Solutions

- Compatible with various FireWire 800 (1394b) and 1394a devices including portable hard drives, DV camcorders, digital cameras, CD-RW/DVD-ROM drives as well as many other FireWire devices

Features

- Auto detects connected devices and automatically configures data transfer speeds
- Fully compliant with with one lane 2.5Gb/s PCI Express specification.
- Provides two 1394b and one 1394a (6-pin) ports for multiple 1394b/1394a device connections
- Supports data transfer rates of up to 100, 200, 400 and 800 Mbits/sec
- Supports IEEE-1394b and is backwards compatible with 1394a-2000 and 1394-1995 standards

Technical Specifications

- Warranty: Lifetime warranty
- Bus Type: PCI Express
- Chipset ID: Texas Instruments
- External Ports: 1 - FireWire 6-pin Female
- External Ports: 2 - FireWire 800 9-pin Female
- Internal Ports: 1 - FireWire 6-pin Female
- Carton Quantity: 50
- Industry Standards: IEEE-1394
- Industry Standards: IEEE-1394A
- Industry Standards: IEEE-1394B
- Industry Standards: OHCI
- Shipping (Package) Weight: 0.38 lb [0.17 kg]
- Chipset: TI XIO2000 / TSB81BA3 / TSB82AA2
- OS Support: Linux, Windows 2000/XP/Server 2003/Vista

MAC G5 and up

- **Note:** The software included with this product supports a "typical" driver install only. Custom driver setup requires software purchase from a 3rd party.
