

50 ft 3-in-1 Universal Ultra Thin PS/2 KVM Cable

StarTech ID: PS23N1THIN50

This 50ft 3-in-1 KVM Cable combines separate keyboard, monitor, and mouse connections into an ultra-thin single cable design, eliminating tangles and saving space for a neater connection.

The 3-in-1 KVM switch cable features high quality coaxial video wires for exceptional video clarity, and weigh less than traditional KVM cables, placing less stress on the KVM switch connectors for more reliable performance.

To make installation easy, the 3-in-1 KVM cable also features PC99-compliant color coded connectors and feature a universal design to ensure compatibility with any KVM switch capable of using standard console connections.

Applications and Solutions

- Cascading rackmounted KVM switches
- Connecting KVM switches to servers inside a cabinet

Features

- Coaxial video wires for excellent video clarity
- PC99 compliant color coded connector ends
- Ultra-thin single cable design
- Weighs less than traditional KVM cables, placing less stress on the KVM switch connectors
