

6ft 12V to M Barrel+USB Powered USB Cable - Plus Power

StarTech ID: PUSBMYB12V06

This 6ft 12V to M Barrel+USB Powered USB Cable features one 12v Powered USB Connector as well as one M Barrel+USB Connector, providing a durable 6ft connection for Powered USB devices.

Providing both USB data and USB device power through a single cable, Powered USB technology is emerging as the industry standard in a broad range of environments including retail POS, industrial, security and medical, based on true plug-and-play connectivity.

StarTech.com's versatile line of powered USB cables offers the high quality design and construction needed to usher in a new generation of USB connectivity, providing superb grounding and protection for all components as well as protection against the normal wear and tear that can result from repeated insertions and removals. This 12V to M Barrel+USB Powered USB Cable is backed by StarTech.com's Lifetime Warranty.
