

2.5in USB 2.0 One Button Backup SATA External Hard Drive Enclosure

StarTech ID: SAT2510BU2B

This 2.5in External SATA Hard Drive Enclosure connects to a host computer through USB 2.0, allowing you to turn any standard 2.5in Serial ATA hard drive (up to 500GB) into a highly portable storage solution.

The SATA hard drive enclosure offers One Button Backup, allowing you to automate backups of data from the host computer to the external hard drive at the touch of a button.

The external hard drive enclosure features a slim, lightweight design as well as an attractive black metal casing. The USB/SATA enclosure also includes a USB Y-cable that can be used to ensure sufficient power for higher capacity/higher power consumption drives.

Applications and Solutions

- Archive valuable data from notebook and desktop computers
- Backup your existing hard drive for extra data security
- Easy add-on storage for travel, home or office usage
- Great for storing/editing space consuming videos and high-end graphic files and making them portable
- Ideal for storing data from digital cameras, DV camcorders, MP3 files and computer games

Features

- Data transfer at speeds up to 480 Mbps using USB 2.0
- Double shielded with durable plastic and aluminum
- Internal full metal shielding for enhanced EMI control
- Screw free assembly
- Special hard drive lockup feature to protect data

Technical Specifications

- Color: Black
- Carton Quantity: 20
- Shipping (Package) Weight: 14.12 oz [400 g]
- Enclosure Type: Aluminum
- LED Indicators: 1 - Power (Blue LED around Backup Button)
- Chipset ID: Sunplus 225
- MAX Drive Capacity: 500Gb
- Product Weight: 3.53 oz [100 g]
- Product Height: 0.63 in [16 mm]
- Product Width: 3.03 in [77 mm]
- Product Length: 5.31 in [135 mm]
- **Note:** OS Support:

WIN 98SE / ME

WIN 2000

WIN XP 32 bit & 64 bit

WIN Vista 32 bit & 64 bit

Linux Kernel > Ver. 2.4.1.2 (Not OTB)
