

36in SATA Serial ATA Cable

StarTech ID: SATA36

This 36in SATA (Serial ATA) Cable measures 3ft in length, providing the option to position SATA drives as needed within a computer case without having to strain the cable to make the connection.

The SATA cable is compliant with Serial ATA II specifications, and features a thin, flexible design that helps to improve system airflow and routability within the computer case.

A highly durable Serial ATA solution, the 24in SATA cable is backed by StarTech.com's Lifetime Warranty.

Applications and Solutions

- ATA Drive Arrays
- Compatible with Serial ATA Hard Drives, CD-RW, DVDs, and other devices
- For use in servers and storage subsystems
- High-end workstations
- Mini tower computers

Features

- Compliant with Serial ATA II Specifications
- Fast data transfer rate of up to 300 Mbytes/Sec
- Offers 36 inches in length for greater flexibility
- Specially designed to improve system airflow and routability
