

## 2m Singlemode Duplex Fiber Cable SC-SC

StarTech ID: SMFIBSCSC2

Your company's backbone is its Network. Without a stable, reliable network your company can't communicate. A lack of communication means a loss of revenue. What do you do now? Enter the StarTech.com duplex Single-mode Fiber Optic patch cable assembly. This product provides the necessary link between Fiber networking devices for high-speed, long-distance networks. Each cable is individually tested and certified to be within acceptable optical insertion loss limits for guaranteed compatibility and 100% reliability. The same lifetime warranty that applies to all StarTech.com cables protects our customers from any problems they might encounter with our cables.

### Applications and Solutions

- Broadband systems
- Ideal solution for data applications requiring high speed data transmission
