

## VGA Video Extender Remote Receiver over Cat 5 (UTPE Series)

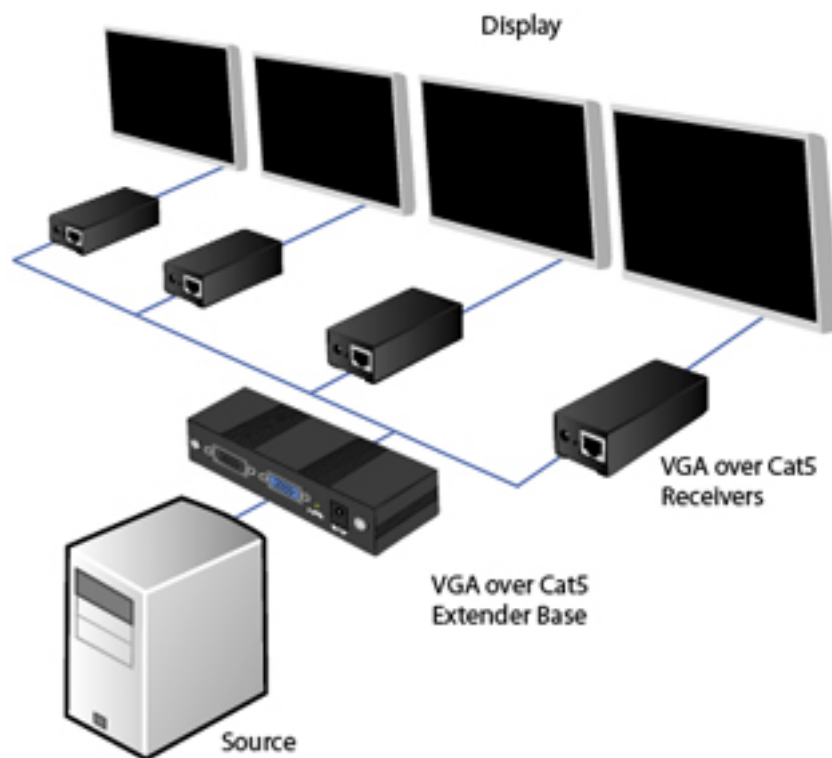

StarTech ID: STUTPRXL

This VGA Video over Cat5 Extender Remote Receiver can be installed with StarTech.com's 4 port Cat5 over VGA extender (ST124UTPE) or 8 port VGA over Cat5 extender transmitter (ST128UTPE), allowing remote monitors to be connected up to 300m (950ft) away from the source.

### Applications and Solutions

- Use digital signage to catch the attention of your audience and deliver up to date content the way you want it to be seen and heard.
- Place the display in a convenient viewing area, while the system equipment is placed elsewhere in a clean and secure environment
- Ideal for digital signage applications in financial, educational, and business sectors
-
