

## Sun to PS/2 Keyboard Mouse Console Converter Adapter

StarTech ID: SV125

This convenient PS/2 interface converter lets you connect Sun® workstations and servers to any PC KVM switch or extender.

Compatible with any Sun® computer that has Mini 8-pin style keyboard and mouse connections, the Sun® to PS/2 converter features a compact design and doesn't require an external power adapter saving valuable install space.

A time and cost-saving solution, the Sun® /PS/2 peripheral converter supports keyboard power-on simulation for Sun® workstations and hot-plug and play for PS/2 keyboards and mice.

The Sun® to PS/2 converter includes the necessary cables to help reduce workspace clutter and confusion and is backed by StarTech.com's 1-year warranty and free lifetime technical support.
