

## USB VGA Console Extender over CAT5 UTP (500 ft)

StarTech ID: SV565UTPU

This USB VGA KVM Console Extender lets you control a server, computer or multiple computers (connected through KVM Switch) over a standard Cat5 or Cat6 UTP network cable connection, at distances of up to 500ft away.

You can use your existing keyboard, mouse, and monitor to access both the server room and your office computer, saving space and avoiding the need for a dedicated remote console by allowing you to switch between workstation view and KVM view at the remote location.

For added convenience, the Console/KVM extender supports USB computer connections, and is compatible with any brand of KVM Switch.

Designed to provide long lasting, reliable operation, the USB VGA Console Extender is backed by StarTech.com's one year warranty.

### Applications and Solutions

- Control remote machines and security monitoring systems
- Monitor computer-controlled equipment in a factory or warehouse

- Use one or more servers in a server room from a remote location

## Features

- Can be used with a single computer or connected to an existing KVM switch
- Easy installation using industry-standard UTP network cable
- Intuitive hotkey commands
- Supports auto-switching between host and remote users or dedicated control
- USB computers are supported at the host and remote locations (USB keyboard and mouse required for remote console)

## Technical Specifications

- Color: Black
- Input Voltage: 115 AC
- Output Current: 600mA
- Plug Type: M
- Power Adapter Included: Yes
- Power Adapter - Amperage: .6
- Power Adapter - DC Voltage: 9 (DC)
- Center Tip Polarity: Positive
- Carton Quantity: 6
- Shipping (Package) Weight: 3.76 lb [1.7 kg]
- Computer/KVM Connection: USB (input), VGA (video)

**See the Related Products tab for required cable information, if longer cables are required**

- Console Supported: USB Keyboard and Mouse(input), VGA (video)
- Maximum Range: 500 ft. (150m)
- Maximum Supported Resolution: 1024 x 768 @ maximum cable length
- Network Cabling Required: Category 5, 5E, 6 UTP terminated with RJ-45 connectors
- Product Height: 0.79 in [20 mm]
- Product Length: 2.95 in [75 mm]
- Product Weight: 10.55 oz [299 g]
- Product Width: 6.1 in [155 mm]
- Note product weights/measurements indicate a single unit only (either Host or Remote)
- Output Voltage: 9 DC
