

## 4-to-1 Composite/S-Video & RCA Audio Switch

StarTech ID: SVID410IR

Tired of swapping cables to connect all your devices to your TV? StarTech.com has the answer: the SVID410IR 4-to-1 Composite/S-Video and RCA Audio switch. Using a single input on your television or other display, you can connect up to 4 video devices that have Composite or S-Video output and RCA audio connectors. Switching between devices is as easy as pushing a button on the included remote control or the front panel. Perfect for multiple devices like VCRs, camcorders, and DVD players as well as game consoles like Xbox®, Playstation 2®, GAMECUBE™, and Dreamcast™. Quality construction means sharp images and clear audio, so you don't have to make any sacrifices for convenience you want.

### Applications and Solutions

- Connect multiple A/V devices to a single TV input.

## Features

- Compatible with S-Video or composite video inputs
- Includes a remote control for easy switching

## Technical Specifications

- Color: Black
- Product Height: 1.85 in [47 mm]
