

15 ft USB 2.0 Active Extension Cable - M/F

StarTech ID: USB2FAAEXT15

This 15ft USB 2.0 Active Extension Cable offers one USB A male connector and one USB A female connector, providing an active, bus-powered extension of a USB 2.0 device connection by up to 16ft (5m).

The extension cable supports high speed USB 2.0 transfer rates of up to 480Mbps, and is backed by StarTech.com's Lifetime Warranty.

Applications and Solutions

- A/V (digital cameras, scanners, printers, external drives)
- Extend the connection distance of USB printers, scanners, external hard drives and other USB enabled devices
- Hospitality (printers, barcode sanners, video cameras)
- Medical (printers, patient monitoring equipment)
- Point of Sale arrays
- Security (cameras, biometric finger print scanners, access card scanners)

Features

- Backwards compatible with USB 1.1 devices
- Bus powered, no external power adapter required
- Plug-and-play compatible
- Works with both PCs and Macs
