### External Slim USB 2.0 DVD+/-RW Dual Layer Drive

Part # SLIMDVDRW8U2  
MSRP: \$149.99 (USD)

The perfect notebook accessory, SLIMDVDRW8U2 features a Panasonic drive that gives you the freedom to play DVD's and CD's, or copy and transfer data at impressive speeds, without needing a built-in DVD-RW drive. Providing 5x DVD-RAM write speeds, 8x (DVD+RW), and 6x (DVD-RW), this is one notebook accessory that will really save you time and hassle. Plus, the attractive, discreet casing of this drive blends perfectly with your notebook computer, and its thin, yet durable design fits handily into your carrying case for times when you are on the move!

#### Applications

- Ideal for users without DVD/CD drive in their laptop or notebook
- For users who require DVD/CD "burning" capability with laptop/notebook – may just have older ROM drive.
- A great server room accessory that provides optical drive support to servers and data storage systems where conventional drives are not supported

#### The StarTech.com Advantage:

- Ideal for users without DVD/CD drive in their laptop or notebook
- Supports 5x DVD-RAM disk write speeds for enhanced reliability and maximum disk lifespan
- Compact form factor, slim 12.7mm height
- Lightweight design for portability convenience

“We found this product to offer an ideal combination of performance, features, weight, and size for its intended use and cannot truly think of a mobile professional who wouldn't find it useful.”
