

10 Pack of ST100S 10/100 PCI Ethernet Cards

StarTech ID: 10PACK100BT

The StarTech.com 10/100 Mbps PCI Ethernet Adapter is a high-speed, reliable network card for use in PC workstations, and workgroup servers. The card is fully PCI plug and play compliant, and has driver support for all versions of Windows, many versions of UNIX, Linux, and Novell Netware. Full Duplex support allows the card to send and receive simultaneously, allowing data transfer rates of up to 200Mbps if connected to a Fast Ethernet Switch.
