

Extra Drive Caddy for DRW150SCSIBK & DRW150SCSI

StarTech ID: 150SCSIBKCAD

The StarTech.com 150SCSIBKCAD is an extra hard drive caddy or carrier designed to hold Ultra320 and 160 68-pin SCSI drives. With black front bezel, it is best matched with the DRW150SCSIBK, but is compatible with DRW150SCSI. Two dual ball bearing fans keep air flowing through the enclosure, helping to keep your drive temperatures at optimum levels. The 150SCSIBKCAD carrier is interchangeable with StorCase's SCSI 68 pin models S21A109 & SC21A109, and model RJR110 hard drive carriers.

Applications

- Ideal when using multiple hard drives on one drive drawer bay
- Hard drive hot swapping applications where need ready to go spare hard drives on hand

Features

- Secure and affordable solution to store and transfer data
- Supports Ultra 320 & 160 68 Pin SCSI hard drives
- 2 Ball-Bearing fans maintain optimum cooling and increased air flow
