

3.5in Multi Port Panel for Front Drive Bay

StarTech ID: 35BAYPANEL

The StarTech.com 35BAYPANEL front insert enables the user to easily access the PC rear panel connectors. This 3.5" bay insert moves your Firewire, USB, Audio and RS232 serial ports to the front of the PC.

Applications

- Eliminates the need to move your PC to gain rear access to ports, by moving them to the front.

Features

- Fits any 3.5 inch drive bay or any 5.25 inch bay (using adapter brackets - sold separately).
- Includes two USB, two Audio, one FireWire® and one Serial port.
