

1 ft Red Snagless Cat5e Crossover UTP Patch Cable (Special Order)

StarTech ID: 45CROSS1RD

Bridge the gap in your workspace with StarTech.com's new cross-wired patch cables. Constructed with only top quality components, the colored hoods help keep things in your department organized. Strain relief minimizes the damage to the ends of the plugs by preventing the cable from being bent at sharp angles.

Applications and Solutions

- Connects workstation to workstation
- Patches from hub to hub

Features

- Clip protector keeps the plug from snagging while routing the cable
- Coloured Hoods for departmental colour coding
- StarTech Category 5 patch cables are carefully constructed and tested, to keep the Near End Crosstalk (NEXT) well within acceptable limits
 - StarTech Category 5 Patch cables are constructed of top quality components
 - The Strain relief prevents the cable from being bent at sharp angles at the connector to minimize the stress at the plug termination point
