

ExpressCard CF Media Memory Card Reader Writer

StarTech ID: CF2EC

This ExpressCard Compact Flash Card Reader/Writer offers the perfect solution for quickly accessing CompactFlash memory cards from your laptop, notebook or ExpressCard-equipped desktop computer.

Simply insert the ExpressCard CF Card Reader/Writer into an available ExpressCard/34 slot on your laptop, then reading from and writing to the Compact Flash card is as simple as inserting the (CF) card into the reader.

The ExpressCard Compact Flash Card Reader supports CF Type I/II, MicroDrive, PIO mode 0-6, and provides hot-swappable operation.

Applications

- Make the most out of your ExpressCard slot by easily adding this Compact Flash (CF)memory card to your laptop, notebook or desktop computer system
- Great for traveling as it is light in weight, and can be stored away easily

Features

- Compliant with USB specification, revision 2.0
- Fits into 34mm ExpressCard slots; Compliant with Express/34 module specification
