

2.5in IDE to Dual Compact Flash SSD Adapter Card

StarTech ID: CF2X2IDE25

This 2.5in IDE to Dual Compact Flash SSD Adapter Card allows you to convert one or two Compact Flash (CF type II) cards or MicroDrives into a bootable IDE Solid State Drive - a simple and convenient way to replace a 2.5in IDE hard disk drive.

The IDE to Dual CF adapter card makes it easy to build your own do-it-yourself SSD (requires CF card or Micro Drive), allowing you to take advantage of the benefits that Solid State storage has to offer. With no moving parts, a SSD is the ideal addition to virtually any working environment, because it provides cooler and quieter storage than a conventional hard disk drive. Plus, Solid State drives are less susceptible to atmospheric hazards (e.g. dust particles, atmospheric changes etc.), ensuring seamless performance regardless of environmental factors.

A highly reliable storage solution, the IDE to Compact Flash SSD Adapter Card is backed by StarTech.com's Lifetime Warranty and free, lifetime technical support.

Applications

- A suitable replacement for a 2.5" IDE hard drive.
- Desktops
- Notebooks

Features

- Memory card installed can boot like IDE hard drive without any device drivers
- One master and one slave slot
- Convert your CF for use as a SSD (solid state drive)
- With no moving parts, provides a silent operation that is resilient to environmental factors while reducing overall power consumption
- Reading-performance, anti-shock ability and tolerance of the the temperature difference are better than traditional hard drives
- Connects directly into your 2.5" IDE port
- Supports CF type I/II or Micro Drives
- A true IDE 2.5" interface - Fully compatible with IDE specs
- LED's to indicate activity
- No drivers required
- Easy to use and install

Technical Specifications

Warranty	Lifetime
Connector Type(s)	1 - IDE (44 Pin; EIDE/PATA; 2.5" HDD) Male
Connector Type(s)	2 - CompactFlash (50 pin) Slot
Memory Media Type	CF (Compact Flash I/II Card)
Product Length	3.8 in [96 mm]
Product Width	2.8 in [70 mm]
Product Height	0.3 in [7 mm]
Product Weight	0.9 oz [26 g]
LED Indicators	1 - Activity
Operating Temperature	0 - 60
Note	Please note that this card doesn't support hot swapping
Shipping (Package) Weight	0.3 lb [0.2 kg]
Included in Package	1 - IDE to Compact Flash Adapter
Included in Package	4 - Plastic Standoff
Included in Package	1 - Instruction Manual
