

## Composite and S-Video to VGA Video Converter for Computer Monitors

StarTech ID: COMP2VGA

This Composite and S-Video to VGA Video Converter lets you play console video games on your computer monitor! With StarTech.com's for Computer Monitors Video Game Jockey, there's no more waiting to use the TV. Simply connect your Xbox®, Playstation 2®, GAMECUBE™, Dreamcast™, or other game console to the Video Game Jockey, then plug into your computer monitor, and it's game on!

An economical solution that saves the expense of a separate TV and frees up your workspace, the Composite/S-Video to VGA converter supports full audio pass through via your PC speakers or headphones and switches from PC to game display with the push of a button - the adapter even works when the computer is powered off!

A versatile video solution, the Composite/S-Video to VGA converter is also a great way to connect VCRs, DVD players and camcorders to your monitor.

Backed by StarTech.com's 2-year warranty.
