

## 4 Port Component Video Switch with Digital Audio and Remote

StarTech ID: CPNT410IR

StarTech.com's 4-Port Component Video Switch lets you switch between up to four A/V devices as well as the corresponding audio signals, eliminating the need to swap out cables to make use of multiple audio/video devices.

A versatile solution for home theatre applications requiring digital or analog audio connections with the use of standard and HD component devices, the 4-port Component Video switch supports display resolutions ranging from 480i to 1080i, providing the signal quality necessary to bring out the best results from your input devices.

A convenient, time-saving A/V solution, the Component Video switch can be installed in minutes and offers a remote learning feature that allows you to use existing device remotes to toggle between inputs, in addition to the IR remote control that is included with the Component switcher.

This attractive, compact unit can be installed in minutes, and is backed by a 2-year warranty as well as free lifetime technical support.

### Applications

- Connect and switch between four component video devices to one TV / HDTV display
- Excellent for home theatre applications requiring digital or analog audio connections with the use of standard and HD component devices

### Features

- Connect up to four devices to your TV using a single set of inputs
- With the Remote Learning feature, program the video switch to work with your existing universal remote
- Maintains clear audio and video signals for excellent performance

## Technical Specifications

Warranty	2 Years
Ports	4
Audio	Yes
Connector A	4 - Component Video (3 x RCA) Female
Connector A	4 - Digital Coax Audio (RCA) Female
Connector A	4 - Stereo Audio (2 x RCA) Female
Connector B	1 - Component Video (3 x RCA) Female
Connector B	1 - Digital Coax Audio (RCA) Female
Connector B	1 - Stereo Audio (2 x RCA) Female
Maximum Analog Resolutions	Supports standard and high definition video resolutions. 480i to 1080i.
Color	Silver
Enclosure Type	Plastic
Product Length	9.2 in [233 mm]
Product Width	6.4 in [16.2 cm]
Product Height	1.7 in [44 mm]
Product Weight	21.9 oz [620 g]
Power Adapter Included	Yes
Input Voltage	9 DC
Center Tip Polarity	Positive
System and Cable Requirements	Requires a standard or high definition display with a component video (YPbPr) video input
Shipping (Package) Weight	1.8 lb [0.8 kg]
Included in Package	1 - Component/Audio Switcher
Included in Package	1 - Remote Control
Included in Package	1 - 9V DC Power Adapter
Included in Package	1 - Instruction manual
