

## DisplayPort to HDMI Video Adapter Converter

StarTech ID: DP2HDMI

The StarTech.com DisplayPort to HDMI adapter lets you connect an HDMI video display to a DisplayPort video source (e.g. DisplayPort video cards, etc.), eliminating the expense of having to upgrade your display for DisplayPort compatibility.

This adapter supports display resolutions of up to 1920x1200 allowing you to take full advantage of HDMI video capability.

DP2HDMI is a passive adapter cable that requires a DP++ port (DisplayPort++), meaning that DVI and HDMI signals can also be passed through the port.

Backed by a StarTech.com Lifetime warranty and free lifetime technical support.

### Applications and Solutions

- Ideal for digital entertainment centers, home offices, business conference rooms and trade show displays
- Keep your existing HDMI monitor to be used with your new DisplayPort device
- Ideal for using your HDMI monitor as a secondary display
