

10 ft DisplayPort to HDMI Video Adapter Converter Cable - M/M

StarTech ID: DP2HDMIMM10

The DP2HDMIMM10 DisplayPort to HDMI (M-M) Video Converter Cable lets you connect an HDMI capable display to a DisplayPort video card/source using a single cable. The cable provides a connection distance of 10ft and features a male HDMI connector and a male DisplayPort connector.

The DisplayPort/HDMI video converter cable supports high bandwidth video transmissions, easily delivering monitor resolutions up to 1920x1200 or HDTV resolutions up to 1080p - allowing you to take full advantage of your HDMI capable display, while using a cutting edge DisplayPort video source.

DP2HDMIMM10 is a passive adapter cable that requires a DP++ port (DisplayPort++), meaning that DVI and HDMI signals can also be passed through the port.

Backed by a StarTech.com 2-year warranty and free lifetime technical support.
