

Extra Drive Caddy for Beige DRW113ATA Drawer

StarTech ID: DRW113CAD

The StarTech.com DRW113CAD is an extra IDE hard drive caddy or carrier for using multiple removable drives on the same system. You can swap operating systems, make high speed, high capacity backups or provide individual hard drives for multiple users. The rugged aluminum caddy features a protective shock absorption system, two front-mounted dual ball bearing fans to cool the hard drive, and is Plug and Play compatible with the DRW113ATA.

Applications

- Ideal when using 2 hard drives on one drive drawer bay

Features

- Exclusive shock absorber system protects your hard drive from damage
- Secure and affordable solution to store and transfer data
- Supports hard drive ATA66/ATA100 & ATA133 with data transfer rate up to 133 MB/s
- Dual ball-bearing fans maintain optimum cooling and increased air flow
