

## Black Aluminum 5.25in Rugged SATA Hard Drive Mobile Rack Drawer

StarTech ID: DRW150SATBK

This high quality Removable SATA Hard Drive Drawer/Mobile Rack delivers a professional-grade hot-swap solution, allowing you to quickly swap SATA hard drives in/out of a computer without having to open the computer case. With support for SATA speeds up to 6 Gbps, the mobile rack is fully compatible with RAID installations to ensure maximum performance and versatility for enhanced storage applications.

Simply install the drive bay into a 5.25in bay on the host computer, then mount a 3.5in SATA HDD into the (removable) caddy. Connecting the SATA hard drive to the computer is as easy as inserting the caddy into the drive bay, which can be locked to prevent unauthorized removal of the drive. Features a front panel ball bearing fan, aluminum construction and 25K insertion rating. Backed by StarTech.com's 2-year warranty.

**This product is interchangeable as a replacement for StorCase SATA models S21J111, SC21J111 and RJR110.**
