

ExpressCard 12-in-1 Multi Media Memory Card Reader

StarTech ID: ECREAD

This 12-in-1 memory card reader allows you to access several different types of media cards/memory cards from your laptop computer.

Simply insert the card reader into an ExpressCard slot, and you'll be able to read from and write to MemoryStick™ (MS) and Secure Digital™ (SD) media quickly and easily.

This ExpressCard memory card reader is an ideal selection for accessing data such as digital photos, multimedia and more, relying on broad compatibility while adding to the capability of an existing notebook computer.

Applications and Solutions
