

InfoSafe Dual 3.5" Drive eSATA to SATA HD Enclosure

StarTech ID: ESATCASE2

Supporting the latest generation of hard drive storage up to Terabyte (1TB) SATA hard drives, this dual drive enclosure allows users to take full advantage of the convenient new eSATA standard. While supporting high speed data transfer rates up to 3 Gb/sec., the ESATCASE2 features a sturdy aluminum casing that helps maximize drive heat dissipation, protecting drives and valuable data from in-transit damage.

Using Terabyte hard drives? Don't expose your Hard Drive and valuable data to unnecessary heat!

The ESATCASE2 includes a 60mm built-in fan that re-distributes the heat build-up generated as a result of typical drive operation. This feature is especially important for larger volume storage (750GB, 1TB hard drives), and faster "spinning" drives (i.e 7200 RPM), as it can help optimize drive operability and in turn preserve stored data integrity.

ESATCASE2 features easy to use locking arms, providing simple drive tray removals and insertions - a definite asset in situations that require quick drive swaps or permanent replacements.

Applications

- Ideal for users who work with large multimedia files or databases, and need to expand external storage capacities.

Features

- Dual external hard drive storage holds two 3.5: SATA /300 (SATA II) or SATA /150 hard drives
- Internal fan keeps your hard drives running cool for maximum performance
- Supports hot swapping of hard drive
- Aluminum enclosure and cooling fan improves heat dissipation and circulation
- LED indicators report power and drive activity

Technical Specifications

Warranty	2 Years
Number of internal 3.5 inch bays	2
Fans	1 - 60 mm
Connector Type(s)	2 - SATA (7 pin; Data) Receptacle
Maximum Data Transfer Rate	2400000000 MBytes/Sec
General Specifications	27.1 dBa
General Specifications	Oxford 921DS
General Specifications	SATA /300 (SATA II) OR SATA /150 (SATA I) Hard Drives
General Specifications	Supports up to 1 Terabyte hard drives (Seagate & Hitachi have been tested)
General Specifications	Windows 2000/XP/Vista
Color	Black
Enclosure Type	Aluminum
Product Length	7.9 in [201 mm]
Product Width	2.8 in [72 mm]
Product Height	5.7 in [145 mm]
Product Weight	3.3 lb [1.5 kg]
LED Indicators	1 - Power / Hard Drive 1 Access
LED Indicators	1 - Power / Hard Drive 2 Access
Power Adapter Included	Yes
Shipping (Package) Weight	4.2 lb [1.9 kg]
