

12in 4 Pin Fan Power Extension Cable - M/F

StarTech ID: FAN4EXT12

The FAN4EXT12 12-inch 4-Pin Fan Power Extension Cable lets you extend the power connection between a computer power supply and a 4-pin fan by up to 1ft, enabling you to conveniently install the fan where needed in the computer case, without having to stretch or strain the connection.

This 4-pin to 4-pin fan extension cable is backed by StarTech.com's lifetime warranty.

Applications

- Extend the placement of a 4-pin computer fan by up to 12in
- Designed for CPU Fans with 4-pin connectors

Features

- Thin, flexible design
- Extend your existing 4-pin fan connection by an additional 12 inches
