

7-in-1 USB 2.0 Multi Media Memory Card Reader

StarTech ID: FCREADMINI

This 7-in-1 USB 2.0 Media/Memory Card Reader lets you transfer music, photos, and other data to and from your favourite digital devices without having to connect them to your computer.

Simply connect the Media/Memory card reader to a computer through a USB 2.0 port for read/write access to the most popular types of media cards, including CompactFlash (CF I, CF II), IBM Micro Drives, Smart Media (SM), Secure Digital (SD, SDHC), Memory Sticks (MS, MS Pro) and more.

The multi-format media card reader features a sturdy design and is backed by StarTech.com's 2-year warranty.

Applications

- Backup and transfer data between your computer and flash media devices
- Access a variety of different flash media types from single device.

Features

- Read/write to: CompactFlash (CF I, CF II), IBM Micro Drives, Smart Media (SM), Secure Digital (SD, SDHC), Memory Sticks (MS, MS Pro) and more
- High speed USB 2.0 host connection, with data transfer rates of up to 480 Mbps
- Backwards compatible with the USB 1.1 standard
- Powered directly from the USB port
- Compact and light weight design
- Comes complete with a 3 ft. USB 2.0 cable
