

802.11b Wireless Game Console Network Adapter

StarTech ID: GAME511WB

Head-to-head and online gaming without wires! StarTech.com's Wireless-B Game Console Network Adapter connects your game console to your existing wireless network. Now you can engage in full combat gaming, head-to-head or online, with no restricting wires to hold you back. Experience the freedom! The GAME511WB features data transfer rates up to 11 Mbits/sec and is compatible with XBOX®, PlayStation™ 2, Nintendo™, Game Boy™ and other leading game consoles. Setup is quick and simple, so you can get in the game right away! Backed by StarTech.com's 2-year warranty and FREE lifetime tech support. Plus, multiple game adapters can be networked for the ultimate multi-player battle!

Applications

- Connect your existing wireless network to a game console for online gaming combat without wires
- Network two gaming adapters for head-to-head gaming combat without Ethernet cables
- For XBOX, PlayStation 2, Nintendo, Game Boy and other leading game consoles

Features

- Adds wireless gaming capabilities to your existing wired Ethernet game console
- 64/128-bit WEP encryption protects your wireless home network safe from unauthorized users
- Compliant with IEEE 802.11b standard
- Supports XBOX, PlayStation, Nintendo, Game Boy and other game consoles
- Easy setup and installation with Windows Utility and Web-based configuration
- Data transfer rates of up to 11 Mbits/sec
- Automatic fallback data rate increases data security and reliability

Technical Specifications

Warranty	2 Years
External Ports	1 - RJ-45 Female
Security Features	WEP Data Encryption
General Specifications	
General Specifications	18dBm (Typical)
General Specifications	2.4 GHz (Industrial Scientific Medical Band)
General Specifications	CCK@11/5.5Mbps, DQPSK@2Mbps and DBPSK@1Mbps
General Specifications	Detachable dipole antenna (with RP-SMA connector)
General Specifications	Direct Sequence Spread Spectrum (DSSS)
General Specifications	Head-to-Head Gaming
General Specifications	Online Gaming
Color	Black
Enclosure Type	Plastic
Product Length	5 in [127 mm]
Product Width	3.8 in [96 mm]
Product Height	1.2 in [30 mm]
LED Indicators	1 - Console
LED Indicators	1 - Head To Head
LED Indicators	1 - Power
LED Indicators	1 - Status
Input Voltage	12 DC
Operating Temperature	0 ~ 55
Storage Temperature	-20 ~ 70
Shipping (Package) Weight	1.3 lb [0.6 kg]
