

6in HD15 to Component RCA Breakout Cable Adapter - M/F

StarTech ID: HD15CPNTMF

This 6in HD15 to Component RCA Breakout Cable Adapter features a male VGA (HD15) connector and female Component video connectors, converting a VGA output port for connection to a display/monitor that uses Component video input.

Constructed of only top quality materials and expertly designed for reliable performance, the HD15 to Component RCA breakout cable adapter is backed by StarTech.com's Lifetime Warranty.

Note: This cable requires a video converter or output device that can process a YPbPr signal through an HD15 (VGA) port.
