

HDMI® to HDMI Micro Adapter - F/M

StarTech ID: HDADFM

The HDADFM HDMI® to HDMI® Micro Adapter features an HDMI (female) connector and an HDMI Micro (male, HDMI d-type) Connector, delivering a cost-saving solution for connecting cutting-edge and next-generation HDMI devices such as a BlackBerry® PlayBook™ or smartphone to existing HDMI A/V devices.

The HDMI and HDMI Micro connectors each offer high quality, gold-tipped construction, ensuring peak connectivity, and is backed by StarTech.com's Lifetime Warranty.

Applications

- A simple solution that allows you to connect HDMI Micro devices such as your BlackBerry® PlayBook™ or smartphone to a HD display or Television using a regular HDMI Male to Male cable.

Features

- HDMI® Micro connector allows connection of portable HDMI devices to HDMI displays or TVs
- High quality design and construction for optimum performance and portability
- All-in-one cable design for transmitting digital audio and video through a single cable
