

HDMI® to DVI-D Video Converter with Audio

StarTech ID: HDMI2DVI

This HDMI® to DVI-D Digital Video converter allows you to separate an HDMI signal into distinct video (DVI-D) and audio (SPDIF) signals, in turn providing a cost-effective solution for using a non-HDMI display with an audio-video device that outputs HDMI.

The HDMI to DVI-D converter is easy to install and is backed by StarTech.com's 2-year warranty and free lifetime technical support.

Applications

- Watch your HDMI source on a DVI-D display and enjoy high quality digital audio at the same time

Features

- The easiest way to separate digital audio and video and maintain HD quality
- Easy plug and play installation
- Input format auto detects digital RGB or YPbPr
