

12in Latching SATA to Right Angle SATA Serial ATA Cable

StarTech ID: LSATA12RA1

This 12in right-angled latching SATA cable features a (straight) female Serial ATA connector as well as a right-angled (female) SATA connector, providing a simple connection to a Serial ATA drive even if space near the drive's SATA port is limited. The cable offers latching connectors, which ensure secure connections for SATA hard drives and motherboards that support this feature.

Once the right-angled SATA connector has been inserted into the drive's SATA data port, the shaft of the cable is seated flush with the rear panel of the drive, eliminating the clutter of excess cable at the connection point - an ideal solution for small or micro form factor computer cases.

The right angled SATA cable supports high speed data transfers up to 6Gbps, and features a thin, narrow construction that helps to improve airflow within the computer case; the cable features a rugged, yet flexible design that makes it easy to make the SATA connection as needed, and is backed by StarTech.com's Lifetime Warranty.

Features

- Compliant with Serial ATA III Specifications
Fast data transfer rate of up to 6 Gbps

Technical Specifications

Warranty	Lifetime
Connector A	1 - SATA (7 pin; Data) Receptacle
Connector B	1 - SATA (7 pin; Data) Receptacle
Type and Rate	SATA III (6 Gbps)
Color	Red
Connector Style	Straight to Right Angle
Cable Length	12 in [304.8 mm]
Shipping (Package) Weight	0 lb [0 kg]
Included in Package	1 - 12in SATA to Right Angle SATA Serial ATA Cable
