

12in Micro SATA to SATA with LP4 Power Adapter Cable

StarTech ID: MCSATAF20

The 12in Micro SATA to SATA adapter cable features a standard female SATA data connector and an LP4 male power connector on one end, and a micro SATA female connector on the other, letting you connect a 1.8in SSD (Solid State Drive) to a computer as you would a standard SATA form factor hard drive.

Features

- Compliant with Serial ATA III Specifications
