

12in Power Cord Extension - NEMA 5-15R to NEMA 5-15P

StarTech ID: PAC101

This 12in Computer Power Cord Extension Cable instantly turns a large, awkward power connector into a smaller, streamlined connector.

The power adapter will fit into any socket, maximizing the space on your power strip, surge protector, or wall outlet.

The power adapter also doubles as a power cord extender, giving you an extra 12in of reach for your monitor, computer case, or any other powered device.

Applications and Solutions

- Allows you to attach bulky power adapter to a power strip or a wall outlet without blocking other outlets
- StarTech.com's power extender cable saves space and conveniently connects big sized adapters so you can maximize all your power/surge strip outlets

Features

- Attach bulky power adapter to a power strip or a wall outlet without blocking other outlets
- Can also be used as a convenient 12 inch power extension cord
- Extender cable saves space and conveniently connects big sized adapters so you can maximize all your power/surge strip outlets
