

6 ft 24V to 2x4 PoweredUSB Cable

StarTech ID: *PUSB2X424V06*

This 6ft 24V to 2x4 Powered USB Cable features one 24v Powered USB Connector as well as one 2x4 Pin Connector, providing a durable 6ft connection for Powered USB devices.

Providing both USB data and USB device power through a single cable, Powered USB technology is emerging as the industry standard in a broad range of environments including retail POS, industrial, security and medical, based on true plug-and-play connectivity.

StarTech.com's versatile line of powered USB cables offers the high quality design and construction needed to usher in a new generation of USB connectivity, providing superb grounding and protection for all components as well as protection against the normal wear and tear that can result from repeated insertions and removals. This 24V to 2x4 Powered USB Cable is backed by StarTech.com's Lifetime Warranty.

Features
