

8 ft RJ11 RJ45 Retractable Patch Cable

StarTech ID: RJ45RET8

This retractable CAT5e RJ11/RJ45 Cable is the ideal laptop accessory for mobile professionals, providing convenient RJ11 and RJ45 connections.

The retractable cable offers up to an 8ft. connection that allows you to connect your notebook computer to a wall outlet, router, hub, or any other network-enabled device, providing simple access to high-speed networks or the Internet while you are traveling.

Based on a convenient retractable design, the RJ45RET8 CAT 5e RJ11/RJ45 Cable ensures maximum convenience by eliminating cable tangles and clutter. Plus, if you don't have access to a network connection, the RJ45RET8 doubles as a modem cable to provide a dial up connection that can be used for Internet access, sending/receiving faxes etc.

Applications and Solutions

- Connects your notebook computer to Ethernet networks and analog modems
- Retractable Ethernet/phone cable eliminates the bulk and inconvenience of carrying and untangling multiple cables
