

Universal Heavy Duty Caster Kit for Server Rack Cabinets - Pkg of 4

StarTech ID: *RKCASTER*

This set of four casters connects to the bottom of our RK series Server Equipment Racks, allowing you to move and adjust the position of your rack/cabinet to suit your needs.

While specifically designed for the StarTech RK Series of Server racks and cabinets, these casters will fit many other racks with their universal hole pattern for mounting screws.

Applications

- Replace damaged or defective casters
- Add casters to an existing Rack solution

Features

- Maximum load capacity 150kg (330lb)per caster, total of 600kg (1322lb)
- Universal bolt configuration
