

Extra 2.5in SATA Hard Drive Enclosure for SAT2510U2REM

StarTech ID: SAT2510U2S

This spare 2.5in removable SATA drive enclosure is designed for use with StarTech.com's [3.5in Bay Removable 2.5in SATA Drive Enclosure](#) (SAT2510U2REM), providing additional external storage via USB 2.0, and in turn allowing multiple users to share and access files from a single desktop system.

The spare drive enclosure features a portable design that adds to the mobility of your data, making it convenient to access your files externally from a desktop or laptop computer, or to migrate data to similarly equipped desktops in another office, data center or home environment.

Applications and Solutions

- Use multiple hard drives with the same SAT2510U2REM installation for different scenarios/configurations or rotating backup disks
 - Professionals working with large files who need to transport them between computers/locations
 - Easily work on and store large presentations or demos from your desktop, then transport it to a clients location without having to transfer files between drives
 - Business professionals who need first hand access to their office data while travelling
 - Users who need both fast internal storage and portable external storage

Features

- Extra/replacement removable drive enclosure for SAT2510U2REM
- Unique enclosure design allows it to be used as an internal removable drive or as a regular external enclosure
- Powered directly from the USB port, when used externally
- Light-weight and durable aluminum construction for the drive enclosure
- High Speed USB 2.0 compliant host interface, with transfer rates up to 480 Mbps
- Compatible with SATA revision 1/2/3 (1.5/3.0/6.0 Gbps) drives
- Supports 2.5" form factor SATA hard drives (HDD) and solid state drives (SSD)
- Plug-and-Play and Hot-Swap compatible

Technical Specifications
