

2 Drive Internal U320 HPDB68 Male SCSI Terminated Cable

StarTech ID: SCSI320INT

This LVD/SE HPDB68 terminated internal SCSI cable lets you connect 2 U320 hard drives to a host controller. Perfect for high-end workstations or servers with U320 SCSI drives, this 68-pin "twist-n-flat" ribbon cable is fully laminated and designed to strengthen signal integrity and offer reduced crosstalk on all pairs.

The SCSI cable features plastic pull-tabs make it easy to disconnect the cable without damage to the connectors or your drives, and includes a built-in LVD/SE terminator.

Applications

- For use in servers and storage subsystems
- High-end workstations
- Ideal when connecting 2 U320 hard drives to a host controller
- Wiring design ensures 100% compatibility with SCSI U320 & U160 Hard Drives

Features

- Meets current SCSI specifications and ensures maximum performance and data integrity
- Orange color twisted pair construction
- Each connector includes a label for easy identification
- Specially designed to improve system airflow and routability

Technical Specifications

Warranty	Lifetime
Connector A	1 - HPDB68 SCSI-3 (68 pin; Half-Pitch; IDC68) Male
Connector B	2 - HPDB68 SCSI-3 (68 pin; Half-Pitch; IDC68) Male
General Specifications	
General Specifications	2
General Specifications	20" (508mm)
General Specifications	5" (127mm)
General Specifications	Flat and Twisted
General Specifications	Half Pitch DB68 Male & 2 Half Pitch DB68 Male
General Specifications	Orange
General Specifications	Supports SCSI U320 & 160 Hard Drives
Color	Brown
Shipping (Package) Weight	0.2 lb [0.1 kg]
