

4 Bay 5.25in SCSI 3 External Drive Case

StarTech ID: SCSI3CASE4

The StarTech.com 4-bay SCSI3 external drive case provides a fast and easy way for PC or Mac users to add up to 4 additional 68 pin hard drives, DVD-RAM, or tape backup drives to their system. It provides 2 5.25 inch bays for SCSI3 devices. 3.5 inch hard drives can be installed by using a 5.25 to 3.5 inch drive adapter bracket (not included). The sleek looking case features a built-in 200W power supply with high capacity cooling fan to keep the drives running cool.

Features

- A second 8cm fan makes sure there is plenty of air flow through the case
- Designed for up to four 5.25" devices (or 3.5" devices with adapter bracket such as StarTech.com's BRACKET)
- Includes internal 68 conductor ribbon cable with 4 HPDB68 male connectors
- Includes universal AC input (115-230V) 200W power supply, cooling fan, RCA jacks for CD-ROMs, and SCSI ID switch
- Shielded metal enclosure matches other computer equipment
- Supports 68-pin SCSI drives at data rates up to 160 MB/s (Ultra 160 compliant)
